# INTRODUCING INDIA'S FIRST PROTEIN VENDING MACHINE

## 01 | MARKET

India is one of the **biggest market** for consumption of protein supplements worldwide.

## 02 | PLAN

*Saturday* plans to introduce INDIA to the modern ways of its consumption.

## 03 | POTENTIAL

These protein vending machine can be fit in gyms, offices, colleges, shopping malls and all types of **sport environments**.

## 04 | GOAL

The protein drinks are targeted to provide the huge market consuming carbonated sugar drinks with an option to move to a **healthier** alternative.

Handcrafted in India

powered by  
**androidthings**

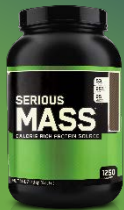

WE ONLY USE THE

# BEST IN CLASS PROTEIN

where Quality meets Excellence

**The 1<sup>st</sup> ever vending machine to feature multiple variants of natural supplements!**

To top it off, we provide the option to choose multiple flavours of each variant of protein. Our goal at *Saturday* is to provide the customer with best possible service & satisfaction.
